Lyric and tune: Fr Sigamani S.J

Singer: Daisy Yensone

Orchestration: Fr Denis Vaiz

Virgin Mother's Babe Divine – You
Came to earth to make it heaven.
What a charm enthralling grace!
What a rapture fills my heart!
I'm dumb founded by your love
I surrender at your feet.
Oh.....Come Babe Divine!
Oh.....dwell....in my heart.

1. All pervading God You are
How could Mary's womb contain!
All the world you hold on palm
How could Mary hold you in arm
Mother Mary is Your Child
How could you become her Child!
2. Oh! the powerful Word of God
How could you be speechless babe?
You are spring of all the might
How could you be helpless child?
Source of heavenly bliss you are
Why the choice of life of pain?
